Hi everyone.

They offer some of the best premium newsgroup access anywhere.

One thing I love about them, they don't keep log files of the news I read or files I download.

Images, video, mp3 music, the real news from around the world... it's all inside waiting for you.

Take a look, I know you'll love it as much as I do.

They give you access to some of the best groups others may not carry.

800 GIGS of new multimedia content each day

Very long retention

Streaming audio and video

Blazing fast downloads

Just go to <http://www.newsdude.net> - they're amazing.
