E nuovo trailer del disco:

[http://www.heavy-metal.it/rivelato-il-nome-del-nuovo-cantant e-dei-rhapsody-di-turilli](http://www.heavy-metal.it/rivelato-il-nome-del-nuovo-cantant-e-dei-rhapsody-di-turilli)

Pensavo poi una cosa, a proposito dei nomi: in questo modo in pratica, almeno in questa versione, son potuti tornare a usare il nome Rhapsody (avendo l'evidenza di gran lunga maggiore del "Luca Turilli's") mettendolo allegramente nel culo a quella compagnia -o chi cazzo era- di rompicoglioni ammeremani...LOL...

E' proprio March of time degli Helloween, la facevano i Trick or treat

Solo riguardo le band immense e immortali che hanno davvero toccato il cuore degli appassionati nel profondo e per sempre con la loro musica e personalita', puoi leggere cose del genere (dal commento di un utente in occasione del compleanno di Turilli):
