meriterÃ ? a me credo di no, ho provato ma il 3D
pare troppo pesante da gestire, e ho visto poco

Improvvisamente i 2 neuroni di DiGei si incontrarono
e si sviluppÃ² un nuovo idioma:

> Register a free account at Heritage Key to see more ancient world
> treasures in 3D.
> The Heritage Key Gallery Preview requires the Unity Web Player plugin,

nonostante la grafica penosa ci mette una vita a caricare tutti gli
elementi 3d..mah.
