GMail: account esterni in arrivo !
Possibilit  di gestire account pop3 esterni da GMail
<http://www.ilsoftware.it/news.asp?ID=3376>

E dovrebbe anche fare il check in automatico, se ho capito bene:

You're done! Gmail will now check your other account on a regular basis,
and new mail will appear automatically in your Gmail account.

<http://mail.google.com/support/bin/answer.py?answer=21288> -----
