Fandango ha detto questo sabato :

> <http://www.speedtest.net/result/1692761443.png>

```
/* snr margin (db) */
var st_dw_snr_margin = "9.4";
var st_up_snr_margin = "23.0";
/* line attenuation (db) */
var st_dw_line_attenuation = "14.6";
var st_up_line_attenuation = "8.5";
var st_dw_errored_seconds = "4";
var st_up_errored_seconds = "0";
var st_dw_loss = "1";
var st_up_loss = "1";
var st_dw_losf = "0";
var st_up_losf = "0";
/* data rate kbps */
var st_dw_crc = "24";
var st_up_crc = "0";
/* data rate kbps */
var st_dw_data_rate = "7104";
var st_up_data_rate = "480";
```

noise margin downstream: 10 db

```
> var st_dw_line_attenuation = "14.6";
```

attenuation downstream: 14 db

```
> /* data rate kbps */  
> var st_dw_data_rate = "7104";  
> var st_up_data_rate = "480";
```

4320 kbps / 480 kbps

```

E mo' hai spaccato i marroni,  
fatti delle seghe con qualcos'altro.
