Seiko Wrist Watches Seiko Coutura Women's Diamond Mother Of Pearl Watch SXD628 Watch Description:

Elegant and striking, this two-tone ladies watch features a round white mother-of-pearl dial with a beautiful iridescent shimmer. The gold-toned hands and markers feature environmentally-safe Lumibrite technology, which allows them to glow brightly for hours without the push of a button or the draw of energy from a battery. The dial is set in a bezel of silver-and gold-toned stainless steel accented luxuriously with sixteen small diamonds. The easy-to-read watch face features three-hand function, with numbers at the twelve, six, and nine oclock positions and a date window at the three oclock position. The two-tone bracelet-style stainless steel band secures with a fold-over push-button clasp. Other features of this watch include a sapphire crystal and a gold-toned Cabochon crown with a blue stone cap. Water-tested to 100 meters, this watch is suitable for both swimming and snorkeling. It features Japan quartz movement and has a battery life of 2 to 3 years.
